EHB 2023

Manuscript Submission Tutorial

In order to submit papers for the **IEEE E-health and Bioengineering Conference – EHB 2023** you have to <u>create an EasyChair account</u> following the steps described in **Create Account Tutorial EasyChair.**

Submit a paper at https://easychair.org/conferences/?conf=ehbweb2023, beginning with **1st June 2023** and **until 1 October 2023 WITHOUT AUTHOR'S NAME AND AFFILIATION**, **for the double blind reviewing purpose**.

**Start by logging into your EasyChair account.**

https://easychair.org/conferences/?conf=ehbweb2023

This is the account interface once you have logged on. Now you can begin to submit your paper. In the account there is a section called "**New Submission**". Click on this button in order to begin adding a new paper to the EHB 2023 conference.

The "New submission" submission interface.

The information that has to be added is:

1. **Paper's authors** (check corresponding author and presenter. You can change later the presenter)

Click here to add more authors

† Note: leave first name blank if there is no first name. If you are not sure how to divide a name into the first and last name, read the Help article about names.

2. **Paper title and abstract. It is recommended that the abstract does not exceed 200 words.**

Title and Abstract
The title and the abstract should be entered as plain text, they should not contain HTML elements.
